

# Global Challenge Network on Ozone

## 2<sup>nd</sup> Consolidating Workshop

Kings Manor, University of York

31<sup>st</sup> of October 2013

## Work plan and next steps

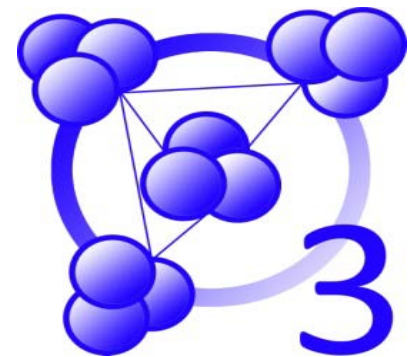

Dr. Stefan Reis

*Funded by:*

**Science & Technology  
Facilities Council**

# Work plan for the network

- ❑ **extending the network: a.s.a.p.**
  - website (group profiles & document repository, facilitating exchange) ☑
  - including more partners ☑
  - engaging with other events and networks/activities for synergies ☑
- ❑ **2<sup>nd</sup> consolidating workshop: *autumn 2013* ☑**
- ❑ **smaller meetings on specific topics: *spring 2014* ☑**
  - aiming at paper writing & developing joint research grant applications
- ❑ **Policy briefs: *first set following 2<sup>nd</sup> workshop?* ☑**
- ❑ **Review/position papers: *spring/summer 2014* ☑**

# Specific activities

- Contact e.g. with Denise Mauzerall, Princeton University on global ozone modelling
- Following activities in EU and UK research projects
- Following activities of TF HTAP, TFMM, TFIAM, ICP Vegetation etc.
- Exploring options for international ozone meetings to be organised in the UK (e.g. IOC in 2016)
